# presentation systems

System Source is a full service audio-visual systems company. Our team provides a wide range of services including consulting, system design, installation and maintenance.

BYOD Room Control Solution

Simple. Safe. Secure.

The Crestron ONE app simply, safely, and securely controls everything in your meeting rooms without touching anything but your own mobile device. *(iOS only - Android release Q1/2021)*

1 **Connect**
Automatically discovers and then securely connects to room via Bluetooth® communications.

2 **Authenticate**
Touch screen displays challenge code and then disappears when mobile device connects.

3 **Control**
Mobile-optimized user interface provides clean, simple experience users expect.
